

CEDAR WOLF GROUP LLC

GENERAL CAPABILITY STATEMENT

Veteran-led support for public-sector supply chains, logistics, engineering, textiles, technology, and regulated operations

UEI	UDYKX7SXAFV3	CAGE	22EA6
SAM	Active through July 1, 2027	SBA STATUS	VetCert application pending

CAPABILITY OVERVIEW

Cedar Wolf Group LLC supports federal, state, and commercial customers that need disciplined execution across complex supply chains, mission logistics, engineering, regulated programs, defense textiles, and government sales. The company combines senior operational experience with responsive small-business delivery and a nationwide partner and supplier network.

CORE COMPETENCIES

Capability	What Cedar Wolf Delivers
Supply Chain and Logistics	End-to-end planning, sourcing, inventory, warehousing, transportation coordination, shipment visibility, continuity planning, and risk management.
Healthcare and Public Health	Medical supply-chain resilience, emergency preparedness, laboratory and operational support, PPE, diagnostics, pharmaceuticals, and domestic manufacturing strategy.
Defense and Engineering	Systems engineering, technical program management, advanced product development, manufacturing oversight, rapid prototyping, and R&D support.
Defense Textiles and Tactical Products	Material sourcing, multispectral concealment integration, specification-driven design, Berry-compliant production planning, cut-and-sew oversight, and design-to-cost engineering.
Digital Modernization and Data	Secure data environments, program governance, operational analytics, asset and inventory management, workflow modernization, and technology integration.
Regulatory and Quality Systems	FDA, ITAR, EAR, OFAC, MIL-SPEC, OSHA, ISO-readiness, quality systems, supplier qualification, and compliant documentation.
FFL Transfers and Government Sales	Appointment-based lawful firearms transfers in the San Antonio area and licensed sourcing support for eligible government customers, subject to all applicable laws and procurement requirements.

DIFFERENTIATORS

- Founder-led accountability: Hector Fernandez-Hernandez, Founder and CEO, directs strategy, executive decisions, and daily operations.
- Senior expertise on every engagement, with backgrounds spanning federal operations, health-care supply chains, defense, engineering, finance, compliance, and crisis response.
- Commercial-to-government manufacturing discipline, including national retail programs, specification compliance, cost engineering, supplier management, and scalable production.
- Integrated delivery from requirement definition through sourcing, execution, documentation, and measurable performance management.

LEADERSHIP AND SPECIALIZED CAPABILITY

Leader	Role and Relevant Expertise
Hector Fernandez-Hernandez Founder and CEO	Service-disabled U.S. Air Force veteran; military health-care logistics, contingency operations, emergency management, executive briefings, interagency coordination, and national continuity planning.
Gary Malinowski Partner	Global health-care supply chains, logistics, public-health resilience, domestic medical manufacturing, sourcing, and commercial strategy.
William S. Pizzino Jr. Partner	Program management, engineering, compliance, logistics, telecommunications, cost reduction, and federal-contractor operations.
Josilynn Robinson Partner	Government-contract finance, audit, program controls, compliance, federal systems, and maritime program finance.
Sean Monahan VP of Textiles	Textile product development, sourcing, manufacturing, specification compliance, national retail programs, rapid prototyping, and patent-pending multi-component garment construction.

REPRESENTATIVE EXPERIENCE

Cedar Wolf corporate past performance and the prior experience of its leaders and specialists include:

- Cedar Wolf corporate past performance supporting HHS / ASPR / IBMSC in medical supply-chain resilience, pharmaceuticals, PPE, vaccines, diagnostics, and domestic manufacturing strategy.
- Defense, military health-care logistics, contingency operations, and emergency response supporting missions in the United States, Europe, and Africa.
- Program, engineering, finance, compliance, and logistics experience associated with organizations including DoD, NASA, the U.S. Department of State, BAE Systems, ManTech, DynCorp, and Chenega.
- Commercial textile and consumer-product programs for Walmart, Target, Costco, Petco, PetSmart, and other national accounts, including product development, sourcing, production, quality, and scale-up.
